Product Description

Country Vet® Naturals for Senior Dogs

Available in 35 lb (15.88 kg) bags

Your aging best friend needs some special care and that's why we developed Country Vet® Naturals for Senior Dogs. Its lower fat content allows your aging companion to stay within a healthy weight. Like all of our Naturals, we don't use corn, wheat or soy, but we do add Glucosamine and Chondroitin for joint health, Omega 6 and Omega 3 to enhance skin and hair along with elevated levels of Prebiotics and Probiotics for intestinal health. Country Vet® Naturals for Senior Dogs also offers excellent digestibility for the life of your dog.
