Product Description

Snowdog Singletrack groomer

This stand-up groomer is designed to groom the single track narrow trails.

It is made from 0.08 stainless steel and powder painted.

Groomer is 20.47" / 52 cm wide, and may be extended to 34" / 86 cm with two removable side panels.

Dimensions, mm: 1409 × 520 / 860 × 312

Being easy to use and reliable, it turns Snowdog into the best grooming machine for fat tire biking!
