Product Description

Sno-Way UTV Spreader 4 cu. ft. Tailgate

The Professional Plowers Go-to Spreader

Ideal for treating sidewalks, driveways and small parking lots, the Sno-Way 4 - Cu. Ft. Receiver Spreader is the smart solution for small to midsize deicing applications.

The Sno-Way 4 tailgate salt spreader delivers an all-new performance level to tailgate salt spreading. No other spreader in its class can match the simplicity of its design, ease of use or rugged construction. At an empty weight of just 95 pounds, the Sno-Way 4 is perfect for single operator handling. The integrated wheels and tapered Class III hitch make attaching the spreader a snap.
